Join a two-week immersive experience for high school students and incoming college freshmen to explore university life and academics at the University of Montana’s Davidson Honors College. Learn from award-winning honors faculty, build connections with other curious students, and engage in what an honors education has to offer, including experiential learning and small class sizes. Choose between two environmentally-themed courses and receive three college credits.

The Schwanke Honors Institute includes:

- A choice between two 3-credit courses taught by University of Montana Honors faculty:
  - Creative Writing in the Environment
  - Climate Science, Society, and Solutions
- On-campus housing with fellow pre-college students and university student teaching assistants
- Structured days with morning class sessions and afternoon college readiness workshops
- Local field trips and 3-day excursion to Glacier National Park and the Blackfeet Reservation for an immersive study of the environment and sustainability
- Estimated cost of 2-week program is $1,495 (includes tuition, lodging, meals, and field trips)
- **Need-based scholarships available**
